### Letter of Recognition

Dear Doc Ing Halaszova, dear Prof Dr Toth,  
Dear Delegate Lancaric,

IFLA Europe School Recognition Panel has assessed the application of Slovak University of Agriculture in Nitra, Slovakia.

As a result of the assessment process we can find that the educational programmes combined

- 1) Krajinná a záhradná architektúra/Landscape and Garden Architecture BA degree, 240 ECTS, 4 years**
- 2) MASTER degree, 120 ECTS, 2 years**

is fulfilling the criteria<sup>1</sup> for professional educational programmes in landscape architecture and is so forth recognised/accredited by IFLA Europe for a period of 5 years (2018-2023).

Yours sincerely,

Emilia Weckman  
VP Education IFLA Europe
