

**BACHELOR STUDY**

| CODE       | TITLE OF THE SUBJECT                    | SEMESTER | ECTS | TUTOR   | DEPARTMENT   |                                     |
|------------|---|----------|------|---|--|-------------------------------------|
| Z15-0010-B | Hydrology                               | WS       | 6    | Ing. Elena Aidyn, PhD.  | Department of Biometeorology and Hydrology               |                                     |
| Z15-0011-B | Hydropedology                           | WS       | 6    | Ing. Elena Aidyn, PhD.  |  |                                     |
| Z15-0008-B | Agrohydrology                           | WS       | 6    | Ing. Elena Aidyn, PhD.  | Department of Planting Design and Maintenance            |                                     |
| Z15-0047-B | Basics of Forestry                      | SS       | 6    | prof. Ing. Viera Paganová, PhD.                                   |  |                                     |
| Z15-0022-B | Dendrology -- Broad-leaved Trees        | WS       | 6    | Ing. Katarína Rovná, PhD.,  |  |                                     |
| Z15-0045-B | Landscape Gardening                     | SS       | 6    | Ing. Katarína Rovná, PhD.,  |  |                                     |
| Z15-0033-I | Horticultural Dendrology                | WS       | 5    | Ing. Katarína Rovná, PhD.,  |  |                                     |
| Z15-0021-B | Dendrology -- Coniferous Wood Plants    | SS       | 6    | Ing. Katarína Rovná, PhD.,  |  |                                     |
| Z15-0046-B | Foundation and Maintenance of Verdure   | SS       | 6    | Ing. Marcel Raček, PhD.   |  |                                     |
| Z15-0038-B | Garden Floriculture                     | SS       | 6    | Ing. Dagmar Hillová, PhD.   |  |                                     |
| Z15-0043-B | Design in Garden Floriculture           | WS/SS    | 6    | Ing. Dagmar Hillová, PhD.   |  |                                     |
| Z15-0032-B | Protection of Ornamental Plants         | WS       | 6    | Ing. Ján Kollár, PhD.,  |  |                                     |
| Z15-0050-B | Landscape Engineering and Law           | WS       | 3    | doc. Ing. Ľuboš Jurík, PhD.                                       |  | Department of Landscape Engineering |
| Z15-0049-B | Hydromechanics                          | WS/SS    | 6    | Ing. Tatiana Kaletová, PhD.,                                      |  |                                     |
| 621Z003    | Agricultural Water Management           | WS/SS    | 6    | Ing. Tatiana Kaletová, PhD.                                       |  |                                     |
| Z15-0064-B | Water Management                        | WS       | 4    | Ing. Jozefína Pokrývková, PhD.                                    |  |                                     |
| Z15-0056-B | Protection Against Natural Catastrophes | SS       | 4    | Ing. Beata Novotná, PhD., Ing Paed IGIP                           |  |                                     |
| Z15-0061-B | Irrigation Technology                   | WS       | 4    | Ing. Jakub Fúška, PhD.  |  |                                     |
| Z15-0097-B | Basics of GIS                           | SS       | 4    | Ing. Karol Šinka, PhD.  | Department of Landscape Planning and Ground Design       |                                     |
| Z15-0075-B | Environmental Quality Assessment        | WS       | 6    | doc. Ing. Lenka Lackóová, PhD.,<br>Ing. Mária Tárníková, PhD.     |  |                                     |
| Z15-0096-B | Wind Erosion of Soil                    | SS       | 4    | Ing. Lenka Lackóová, PhD.   |  |                                     |
| Z15-0079-B | Landscape Planning                      | WS       | 4    | Ing. Mária Tárníková, PhD.  |  |                                     |
| Z15-0102-B | Fruit Growing                           | WS       | 6    | doc. Ing. Oleg Paulen, PhD.                                       | Department of Fruit Production, Viticulture, and Enology |                                     |
| Z15-0110-B | Oenology                                | WS       | 6    | Ing. Eduard Pintér, PhD.  |  |                                     |
| Z15-0101-B | Practical Course of Vine Pruning        | SS       | 2    | Ing. Eduard Pintér, PhD.  |  |                                     |
| Z15-0113-B | Viticulture                             | WS       | 6    | Ing. Eduard Pintér, PhD.  |  |                                     |
| Z15-0159-B | Parks and Garden Design                 | WS/SS    | 5    | Dr.h.c. prof. Ing. Ján Supuka, DrSc.<br>Ing. Mária Bihuňová, PhD. | Department of Garden and Landscape Architecture          |                                     |
| Z15-0137-B | Ateliers of Garden and Parks Creation   | WS/SS    | 8    | Ing. Mária Bihuňová, PhD.   |  |                                     |
| Z15-0164-B | Garden and Landscape Drawing            | SS       | 5    | Ing. Denisa Halajová, PhD.  |  |                                     |
| Z15-0167-B | Theory of Garden and Park Design        | SS       | 5    | Ing. Mária Bihuňová, PhD.<br>Ing. Attila Tóth, PhD.               |  |                                     |
| Z15-0161-B | Spatial Composition                     | SS       | 4    | Ing. Attila Tóth, PhD.  |  |                                     |
| Z15-0130-B | Vegetables Production                   | SS       | 6    | Prof. Ing. Magdaléna Valšíková - Frey, PhD.                       | Department of Vegetables' Production                     |                                     |
| Z15-0129-B | Basics of Horticulture                  | SS       | 4    | Prof. Ing. Magdaléna Valšíková - Frey, PhD.                       |  |                                     |
| Z15-0120-B | Spices and Aromatic Plants              | WS       | 6    | Ing. Ivana Mezeyová, PhD.   |  |                                     |
